Teamwork Makes Our Dream Work

February 2016

State Deputy's Message

Dear Brothers All:

It is amazing how fast time seems to pass, though they do say "time flies when you're having fun." Sometimes it is hard to think of work as enjoyable, but considering that we are doing God's work and that our mission is to help our church, our brotherhood and families, and our community, our labors should indeed provide enjoyment and satisfaction.

As I travel the state and visit with councils and assemblies, it is gratifying to see and hear of the commitment and passion with which our Brother Knights approach their programs, parish and community work.

The questions and comments I hear at meetings and events prove that the Knights of Tennessee are indeed dedicated Catholics who support life in all its stages, assist those who are needy, and support our bishops, priests and religious with vigor.

This is indeed fun!

Many if you have asked how we can join in the fight for life, and help our church do the same. I have included a link below which is from the U.S. Conference of Catholic Bishops website; it is the USCCB Action Center, which describes the advocacy being done by our Bishops now, and allows for us as individuals to take part. Please go to this site and see how you may help!

As we approach the Lenten season, please do all you can to help other like-minded Catholic men join in our efforts, our fun times, and our spirit-filled accomplishments.

May you all thrive and grow as men, husbands, fathers and disciples.

Faithfully,

Steve
