Midyear Meeting Edition

January 15, 2016

Midyear meeting sets attendance record

More than 240 Knights gathered at Holy Family in Brentwood, Tennessee.

Council #15234 at Holy Family hosted the event and a special thanks goes out to Grand Knight Andrew Rittler and his loyal brother knights.

Star Council awards were given to 17 councils. State Staff had break out meetings and useful information for us to become stronger councils and better serve our parishes.

Mark Mayer advised us to submit award entries by March 11. (This is four days earlier than other years.)

Gary Wisniewski conducted some great membership sessions and encouraged men to continue to recruit and activate.

Billy Trout offered retention advice and suggested we activate new members as soon as they join.

Mike Wiedemer had the ceremonials schedule displayed for councils to plan for their first degrees and advancement of members.

Mike Porter gave some administrative information, and Jake Wood let the men know that the State web-site is constantly improving.

We are fortunate to have several more knights making our State Council work well. We are also fortunate to have some distinguished District Deputies help make or Order the strong right arm of the Church.

Teamwork makes our dream work!
