January 9, 2015

Brother Knights,

If your council has either Knights of Columbus or Catholic merchandise for sale, you will be allowed to sell these items at this year's State Convention, April 29-May1, with the approval of the Convention Managers and the State Deputy. The times that you will be allowed to sell are: Friday - during registration; Saturday and Sunday - before, after, and during the breaks of the meeting sessions.

****Merchandise could include, but is not limited to, the following items: rosaries, T-shirts, coffee mugs, badge holders, hats, prayer books, etc...**

****A request must be made using the form below no later than **March 15**. If approved, we will have half of a standard 6' table available per council.**

****Each council will be responsible for all items they sell and for providing the manpower at all times to manage their respective tables. No convention or state officer will be allowed to man a council's booth.**

****Disclaimers**** The Convention Managers and/or the State Deputy reserve the right to not allow any items they find unsuitable for sale during the convention, and also to limit the number of councils that would participate in this program based on space and availability. Lastly, the Tennessee State Council will not be responsible for any lost or stolen merchandise.

Please complete and send both this form and attached picture to David Comm and Mike Porter (emails listed below). If you prefer to mail, send to Mike Porter (address listed above).

Council #:_____ **City:**_____

Describe the merchandise you wish to sell below:

NOTE: A picture of the proposed item for sale is required!
